<p>Do Now</p>	<p>Designate an individual in your group to keep track of your team scores throughout the various games of Jeopardy.</p>
<p>Learning Targets and <i>Intentions of the Lesson</i></p>	<p><i>I Want Students to:</i> 1. KNOW how to recall key personalities and events throughout World History. 2. UNDERSTAND and explain the characteristics and significance of actions that changed World history. 3. Participate in a group review to prepare for the NC Final Exam (SKILL).</p>
<p>Test Hint</p>	<p>Take your time and use the Multiple-Choice test taking strategy. Read every question do not leave any question blank and do you very best.</p>
<p>Upon Completion</p>	<p>When you have completed your exam, raise your hand and the instructor will check your test completion results. Instructor will then close your computer and you may sit quietly until all your classmates have completed their exams.</p>
<p>Background Concerns</p>	<p>I want to encourage students to read every question and select from the distractors using logic and recall of information gathered in class. I want them to prepare for their NCFE by doing their best...I do not want them to guess</p>
