<p align="center">Learning Targets and Intentions of the Lesson</p>	<p><i>I Want Students To:</i> 1. KNOW how to complete a P.E.R.S.I.A.N. Charts for the 4 River Valley Civilizations. 2. UNDERSTAND the process to compare and contrast two or more civilizations 3. Describe at least two characteristics from each of the River Valley Civilizations (SKILL).</p>
<p align="center">Unit Compelling Question</p>	<p align="center">Why do people settle in one particular region as opposed to another?</p>
<p align="center">Scope and Sequence of the Lesson</p>	<p>1.3.1 – Explain the learning targets and aim of the lesson. 1.3.2 – Instructor will begin a class discussion: Where would you like to start a civilization and what are three things that you must have? 1.3.3 - Students will follow direct instruction taking guided notes on River Valley civilizations. 1.3.4 – Students will use their guided notes to complete a Four-Civilization PERSIAN Chart. 1.3.5 – Students will take any two civilizations and complete a Venn Diagram comparing both civilizations.</p>
<p>Background Concerns:</p>	<p>Instructor must insure that students complete the PERSIAN Charts with at least 3 to 4 characteristics in each category. This will enable them to complete a thorough construction of the VENN Diagram.</p>
